

- Well, it's beside the point today.
I brought a cake!
- Aw, Mom...
- But it's her birthday!
- well, I suppose,
once a year...

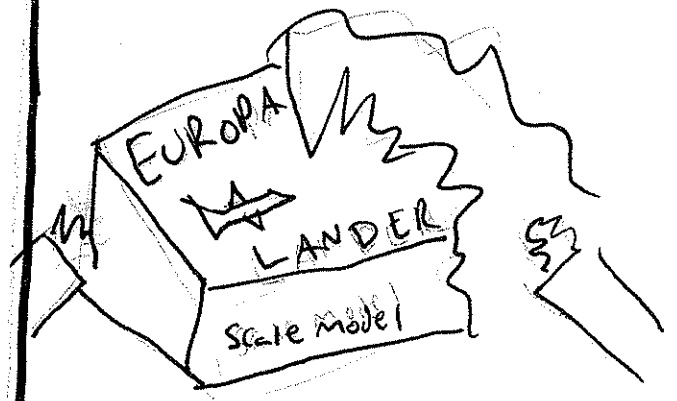

And a birthday present
for you...

Thanks,
Grandpa!

Oh...

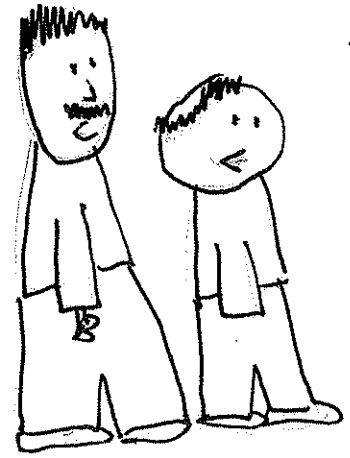

What's wrong?

Well, I could
just print it...

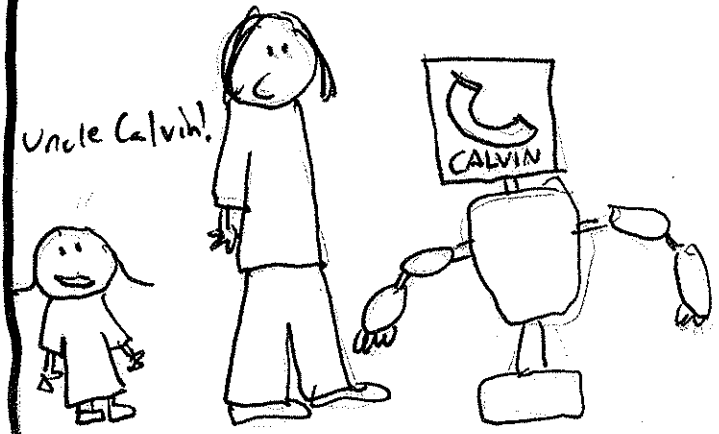

Flanny! That's not nice.
Say thank you.

Thanks, grandpa
and grandma.

Hey, Uncle Calvin's
calling!

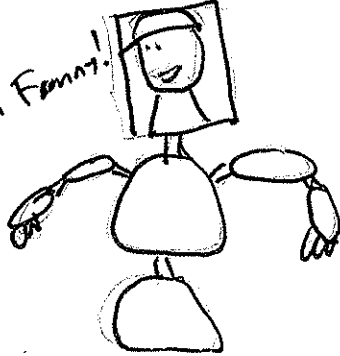

Uncle Calvin!

Hi Uncle Gek-h!

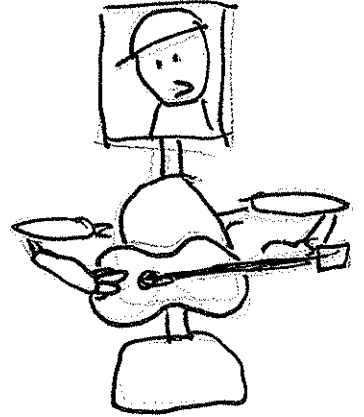

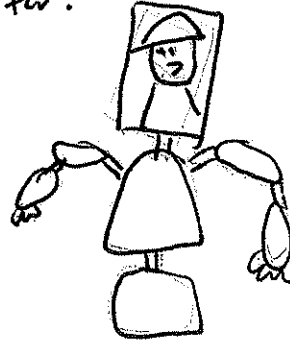

Hi Franny!

Hey, I wrote you a song for your birthday. Ganton, I'm on a Robo 5, right?

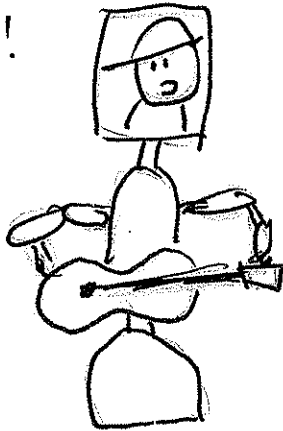

= Yes.

Okay, should work. Hand me the guitar.

Huh, nothing. Sorry about that, stuff never works. Oh well, I'll cloud you a recording.

Okay, thanks!

Okay, guess we should be going. Love you, see you later!

Zai jian,
Franny!
