

Man, my clients really got into a hole.

Norco?

Nah, Permed this week.

More coffee?

Nah, I'm OK.

Whatever. They know your name?

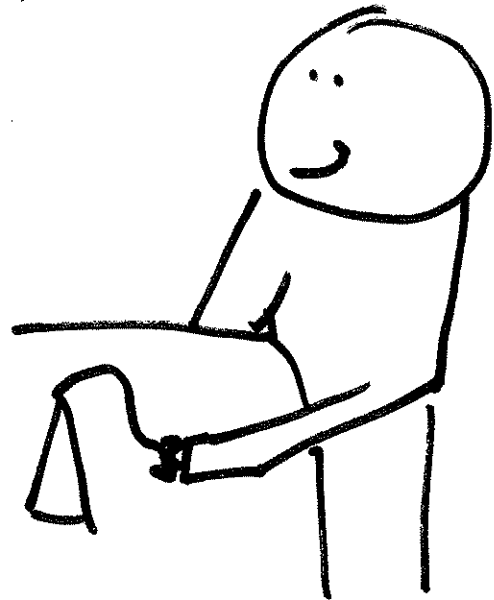

Fair enough. Well, I've got a spot at Cetzpult coming this week. How's your kids?

Great. Andrea's assigned to the orbital station next month.

Congratulations!!!

Eh, she seems to think it's no big deal.

Shoot, it's easier than going downtown these days.

Or my PT in Regent Square.

Weird how we've gotten more isolated, huh? I would have thought it'd be easier. But all this congestion...

Yeah, funny how we can't make all the cars for these skyscrapers...
